WHITTFIT TRAINING HEALTHY HABIT TRACKER

Helping you feel better, gain confidence and be the best you can each and every day.

DIRECTIONS

- Each week decide on a new habit you wish to create, each day that you achieve it, fill the shape (if you are using online) or cross off with a pen or pencil if printing) to keep a tally of how many days you manage your habit. When you get to 7 in a week, then add another.
- Use the text box to note tips and ideas as well as any challenges you
 faced during that week.
